D. PAROCHIAL/HOME-SCHOOL STUDENTS

A Parochial or Home-School Student must enroll as a part-time student in the public school district in which he/she resides in order to be accepted into Heartland Technical Academy. Applications from parochial or home-school students must include "Proof of Enrollment" in the public school. **Any application that does not include proof of public school enrollment will be considered incomplete and cannot be accepted.** Students must meet the requirements and follow the policies of the public school in which they enroll in order to be accepted into Heartland Technical Academy.

Parochial and home school students must adhere to deadlines and qualifications that the public school has in place for Heartland Technical Academy enrollment. If a student moves into a new public school district after enrollment deadlines have passed, he/she is not guaranteed acceptance into Heartland Technical Academy even if they were previously accepted as a resident of a different public school district.

It is the responsibility of the student/parent to enroll in the public school in which they reside and to inform Heartland Technical Academy of any change of residence or home school after the original enrollment has been completed. Applicants are encouraged to contact the public school as early as possible in the application process to ensure all guidelines can be met.

Proof of Enrollment:

I verify that _____ has enrolled in and meets all requirements of _____
School district for attending Heartland Technical Academy.
